Mountaineers To Visit Folsom For Game On Sunday

Rough Winter Moves Up First P-N League Tilt at Park

R. N. Little, business manager for the Truckee-Tahoe Mountaineers, said this week that the scheduled Placer-Nevada League baseball game will be played at Folsom Sunday instead of in Truckee.

This was decided when it was revealed that the Truckee park is still in need of repair following a rugged winter which has prevented practice on the grounds.

The following Sunday the Lincoln team is scheduled to come to Truckee for the season's opener here.

Truckee had a bye last Sunday and had anticipated a practice game at Reno but because of wet weather, this was called off and the locals are still in need of practice as they go up against the league leading Folsom team Sunday. Manager Tom Dolley said, however, the team is rapidly gaining form and will put up better competition than they have in recent performances.

Folsom set a new league scoring record last Sunday when they defeated the Nevada City team by a score of 37 to 17. Thus far in the season, Folsom is the only team which has not lost a game, while both Truckee and Nevada City have failed to win in their three starts. 1

Wheat Is Cleared of Transport Charges

The Public Utilities Commission of California has issued a decision clearing Carl Wheat, Lake Tahoe taxi and garage man, of a charge that he was in violation by operating a taxi service in competition to the Squaw Valley Bus Lines. The charge had been made by John K. Shults and James Williamson, operators of the line.

They charged Wheat operated a passenger stage over a route for which a certificate of public convenience and necessity had been issued.

A hearing was held at Tahoe April 13 and subsequently the commission issued its decision which held Wheat at no time was in violation by operating his taxi on a call basis.

Truckee Altar Society Is Planning Food Sale

The Truckee Altar Society will hold a food sale in the Truckee Public Utility District office on Wednesday, May 24, featuring Italian dishes and home baked cakes and pies. The sale promises to sell out early as contributors of the tasty morsels are rated among Truckee's best cooks.

The members will also hold a Mother's Day breakfast for the young people taking their first Communion on Sunday, May 14.

Goodhue New Foreman At Thornton's Garage

James Goodhue of Homewood and his family have rented the H. B. Fowler home on West Main Street and Goodhue has taken over the foremanship of the shop at Thornton's Garage here. The newcomer is highly recommended as a thorough mechanic.

Mel Thornton, owner of the garage, announces that the Chevron station, operated in conjunction with the garage, is now open after considerable controversy and is enjoying a good patronage.

Native Visits—

Mrs. Catherine Baxter of Sacramento visited Miss Menia Moretta and Mrs. and Mrs. William Englehart on Tuesday. Mrs. Baxter is a Truckee native and worked with the local telephone company for a number of years.

Traffic Gain As Truckee Again In Second Place

Traffic into California by way of the Truckee quarantine station zoomed upward from 14,738 automobiles in March to 21,343 during last month, according to records kept by the state department of agriculture.

Consequently, the number of passengers showed a similar gain going up from a March total of 47,246 to 64,640 during April, according to the report.

Commercial vehicles and stages were approximately the same during the two months.

At Stateline on Highway 50, the report shows 5,545 automobiles went into California by that route, with 14,184 passengers.

The increase here took Truckee out of fourth place as a point of entry and brought it up to second, being exceeded only by Yermo which reported 29,375 cars. In third place was Blythe with 20,416 cars.

Throughout the state's sixteen stations reporting, a total of 156,429 passenger cars and a total of 461,970 passengers entered the state during April.

MRS. LEWIS NEW A.A.U.W. PREXY AFTER VOTING

Mrs. G. L. Lewis of Donner Lake was elected president of the Tahoe-Sierra branch, American Association of University Women, at a dinner meeting on Tuesday evening at Lakewood Lodge, Homewood. She succeeds Mrs. Ray Scott of Truckee. Mrs. J. L. Starratt of Tahoe City was elected secretary. Hold-over officers are Mrs. Milton Hogle, Soda Springs, vice president, and Mrs. H. A. Slade, Tahoe, treasurer.

During the evening, 16 members and guests heard Miss Ruth Dodd of Sacramento, state AAUW legislative chairman, discuss the state legislature and the legislative program.

FIRE SIREN TEST IS SLATED FRIDAY

Residents of Truckee are warned that there will be a test of the fire alarm siren here at noon Friday. No alarm has been heard in the canyon since early December and officials of the Truckee Volunteer Fire Department are running the test to determine if the siren is in working order.

Imogene Case Settled For $160,000 in Week

Settlement of $160,000 was approved this week in court at Placerville for Imogene Wittsche, 14, Roseville, who lost both feet in a speedboat accident at Lake Tahoe last summer. The settlement was made by Phil Davis, wealthy Oakland auto dealer. The amount will provide for $4,000 annually for the girl through her life without depreciating the the principal and pay costs in the case, it was announced.

A $320,000 damage suit had been filed against Davis.

Legion to Nominate, Plan for Memorial Day

Nominations for officers for the 1950-51 term will be the main item of business when Truckee Post 439, American Legion, meets next Tuesday night. Also, final plans for Memorial Day services will be made at that time.

Bianchi Reaches 96 In Winters on 9th

A. Bianchi of Winters and widely known watch maker in this district observed his 96th birthdate on Tuesday, May 9. Bianchi formerly had his place of business in the Sierra Sun office for many years and visits with local friends during the summer.

In Petaluma—

Mrs. H. H. Hull, formerly of Tahoe City, wrote of their recent move from Sacramento to Petaluma, where they have become the owners of a store, taking possession May 1.

Chamber Active In Bid For New Truckee Airport

Engle Tells Committee Town is Slated For Class III Field

Truckee is being included in plans for a Class III airport, according to word received by the aviation committee of the Truckee Chamber of Commerce from Representative Clair Engle in Washington. Engle reports that a representative of the government will arrive soon to inspect the proposed site for the air field.

This information was brought to light at the meeting of the chamber last Thursday night. During the meeting, President Earl Stice commended the Crandall Brothers of Hill Top Lodge for their cooperation in promotion of the dog Derby and for donating materials for the signs which will grace the entrances to Truckee in the near future. The committee working on the signs has reported progress stalled by recent storms but that, with clearing weather, the work should move along smoothly now.

At the meeting tonight at 7:30 in the chamber offices, delegations from Nevada City and Grass Valley will be present to discuss promotion for the entire county.

CENSUS LEADER CITES RESIDENTS FOR COURTESY

Charles Bannon Jr. of Kings Beach, crew leader in the recent census enumeration for this area, reported that the task was completed this week and that while there may still be isolated instances where the count is incomplete, these may be tallied by making direct application.

Bannon said that his crew reported meeting with courtesy and cooperation in nearly every contact throughout the Truckee, Tahoe and Donner area and he expressed his appreciation for this attitude which made the job pleasant.

Figures are now being compiled at headquarters and will be released when that portion of the work is finished. Bannon did indicate unofficially that he expected the local area to show a healthy gain over the 1940 figures.

State O.K.'s Land Buy For Border Station

SACRAMENTO —(W. N. S.)— The state public works board meeting here Tuesday approved acquisition of the final piece of property for the new agricultural quarantine station near Truckee at $11,000. The board was informed this was $466 higher than the highest appraisal for the property.

The board also authorized a shift in the position of the station at Meyers because of the allocation of an additional 50 feet of roadway for the state division of highways.

Ex-German Prisoner Speaks at Lions Club

Dr. William Houwink, guest instructor at the University of Nevada, told of his harrowing experiences in the Buchenwald prison camp in Germany during the war at the meeting of the Lions Club last night.

C. Edmunds was appointed on a committee to further promote a proposed bridle path over the Sierra after James Sherritt told of the progress being made on the project. Guests included Emil Stewart of Reno, Tony Donadio of Donner Summit, William Tamblyn of Nevada City and John Strong, who is relieving Earl Stice, local SP agent, while the latter is on vacation.

Stockton Guest—

Homer Alleman of Stockton was a weekend visitor with Mr. and Mrs. Walter Barrett, en route home from Boise, Idaho.

Sun Beams

by Walter M. Barrett

In two recent drives for funds, Truckee has again exceeded its quota. Committeemen for the Red Cross and the Cancer Crusaid report generous response to the appeal for cash, and coming at the low business season of the year for Truckee, this reflects the attitude of your local business people who are called upon to provide the lion's share in such programs. There is considereable satisfaction in living in a community where the businessmen and other residents never fail, regardless of the issue or stress of personal affairs, to come forward financially and personally to put over a worthwhile campaign.

This same spirit of generosity is often unjustly reflected in the acceptance of the profressional chisler, and we can only continue to urge that everyone be on guard against this type of solicitor. A good rule is to refer these people to your chamber of commerce. There the merits of their solicitation will be weighed and you may be assured that you are not being bilked. Solicitors without this chamber approval may or may not be authentic but no legitimate salesman or solicitor will resent being asked to provide this proof of his integrity.

ASK COOPERATION ON PLAN TO WASH COMMERCIAL ROW

Business men along main street will have a chance to have the street washed in front of the establishments on Commercial Row, if they will cooperate with members of the Truckee Volunteer Fire Department.

Next Monday morning at 6 a.m. members of the department plan to turn out to hose down the gutter area on main street. However, as Assistant Chief A. Pace points out, there is too much mud and silt left in the gutter to have it safely sent down the drains. Business men are requested to have the biggest part of this winter's accumulation shoveled up and carted off before Monday morning.

Mrs. Buell Delegate To Women's Meet

Mrs. Ethel Buell was appointed as a delegate to the convention of the Federated Women's Clubs being held at Sacramento from May 9 to 13 at the meeting of the Wyethia Club held Friday evening, May 5, with Mrs. Robert Gifford presiding.

Mrs. N. F. Dolley announced that the annual flower show will be held in Idlewild Park at Reno Saturday and Sunday, May 20 and 21.

Everett O'Rourke, district superintendent of schools, gave an interesting talk on literature.

All interested in joining the organization may contact Mrs. Gaston Hocker to pay dues, it was announced. The next scheduled meeting of the club will be Friday evening, May 19.

Pair Fined by Justice On Drunk Charges

Mr. and Mrs. J. E. Burke of Truckee appeared this morning before Justice of the Peace R. N. Little and the former entered a plea of guilty to charges of drunk driving and violating the county sobriety ordinance. He was fined $200 and had his driver's license suspended for 90 days. Mrs. Burke pleaded guilty to violation of the ordinance and was fined $50.

They were arrested yesterday by Patrolman George Schrom following an auto accident two miles east of here in which both suffered minor injuries which required treatment by Dr. L. D. Nelson.

Birthdate Celebrated—

Mrs. M. Earl Brown celebrated her birthdate Tuesday, May 9.

Last Rites Held For Mrs. Julia Bechdolt At Lake

Sudden Passing Sunday Shocks Many Friends Throughout Area

Requiem high mass for Mrs. Julia Bechdolt, widely known Tahoe City matron and wife of Carl Bechdolt Sr., owner of Tahoe Inn, was said yesterday morning at the Tahoe Catholic Chapel at 10 o'clock. Interment followed in the Pasadena cemetery.

Conducting the services at Tahoe were Fathers Thomas Collins of Reno, P. O'Neill and J. Boland of Truckee and C. J. O'Meara of Sacramento. Pall bearers were Charles Spalding, Robert Scates, Pete J. Vanni, Walt Whitman and William Shifton of Tahoe and R. Joseph of Truckee. Alvah Hooper of Grass Valley was here to assist in the arrangements.

The services at Tahoe were largely attended, some 250 gathering to pay their last respects to the deceased.

Rosary was held at the Truckee Colonial Mortuary Tuesday evening at 8 o'clock.

Following the services here, the body was taken to Pasadena by the Truckee mortuary. Father Patrick O'Neill accompanied members of the family south and will conduct services there tomorrow morning.

Mrs. Bechdolt died suddenly at her home Sunday evening at 9 o'clock. Her body was discovered in the kitchen of her home by her husband who, with other members of the family and scores of friends, was deeply shocked.

The deceased was a native of Boston, Mass., but came to California when quite young to make her home with her family in Pasadena. She was married to Bechdolt May 12, 1911, in Pasadena and tomorrow the well known couple would have observed their 39th wedding anniversary.

To Tahoe in 1927

They came to Tahoe in 1927 and had since made their home there, operating the Tahoe Inn for the past many years.

Beside her husband, Mrs. Bechdolt leaves two sons, Carl Jr. and William, both business men in Tahoe City; two sisters, Mrs. Mae Harris and Mrs. Matthew Connors, both of Pasadena. There are five grandchildren, Christine, Sharon and Parky, children of Carl Jr., and Julianne and Jimmy, M. and Mrs. William Bechdolt's children.

The entire area will join in extending most sincere sympathy to the bereaved family.

Rose Bros.' New Store At Quincy Is Opened

Rose Brothers opened their new store in Quincy Friday, May 5, with an excellent response, reports Dave Rose, manager of their Truckee food market. The new mart, located in a 40 foot by 80 foot quonset building, is under the management of Charles Rose, first manager of the Truckee store. Like the market here, the Quincy branch will handle a full line of groceries and fresh meats.

Harvey Hocker, clerk in the Truckee store, went to Quincy Friday and Saturday to help during the opening sale rush.

Annual Church Confab Here Monday Evening

The annual meeting of the Truckee and Kings Beach Community Methodist Church will convene in Truckee with a supper conference at the church, beginning at 6:30 p.m. Monday, May 15. Rev. Dr. D. W. Throckmorton of Sacramento will preside and will speak. Election of officers and other matters concerning the church and it work in the coming year will be considered.

Everyone interested in the church is invited. Those planning to attend are requested to consult Mrs. D. T. Rylander regarding food for the supper.

Funds Allocated For Improvement Of Sierra Fishing

SACRAMENTO —(W. N. S.)— The state public works board, meeting here Tuesday, authorized expenditure of $140,000 to improve fishing conditions in the Sierra area. As a part of the wild life conservation board's program, the public works board authorized two projects.

The first, for $100,000, is the El Dorado flow maintenance dams in El Dorado and Alpine Counties, which involves construction of dams on some 46 high mountain lakes to maintain stream flow and fish life during annual dry periods. The project includes the Upper Truckee River improvements.

The second is a $40,000 project for maintainance flow dams in Tahoe National Forest in Nevada, Placer and El Dorado Counties. These dams will also control lake levels.

PLAN SERVICES HERE AND LAKE MOTHER'S DAY

The Community Churches at Truckee and Kings Beach will both feature special services for Mother's Day, Sunday, May 14, reports Rev. Oscar H. Swenson, minister. At both, the hours are the same.

Sunday school is at 10 a.m. at 11 o'clock, a Mother's Day service will feature special music by the ladies' chorus, the young peoples' group and the primary children.

A cordial welcome is extended to the public and all are urged to attend church on Sunday in honor of "Mother", Rev. Swenson says.

In additions, evening vespers will be held in the Truckee edifice at 7:30 p.m.

TRUCKEE AREA TOPS MARK SET BY RED CROSS

Truckee and eastern Nevada County went over the quota for the 1950 Red Cross drive for funds, reports Mrs. F. W. Wilson, drive chairman. The quota set for Truckee branch of the Nevada City chapter was $600 and the local workers turned in $614.

Meanwhile, Mrs. Wilson said that Mrs. Robert Edwards has volunteered as chairman of the community used clean clothing depot, directed by the Red Cross and the Truckee churches. Serving with Mrs. Edwards will be Rev. O. H. Swenson, Rev. Father J. Boland and Mrs. Wilson.

Ski Gear Depot Is Latest PTA Project

At the last meeting of the Truckee PTA Monday night, it was decided to conduct a "swap shop" for used ski clothes and equipment. Mrs. Dave Rose volunteered to take charge of the program.

Anyone having or needing such clothing or equipment is asked to telephone Mrs. Rose at 249W, giving her the necessary particulars.

This service will be continued throughout the next skiing season to help more children participate in the schools' skiing program.

Rebekah Lodge Will Hold Food Sale on 19th

Mrs. R. R. Rockholm announced this week that Naomi Rebekah Lodge No. 2 will hold a sale of home cooked supper dishes and pastry in the Truckee Public Utility District office on Friday, May 19, starting at 10 a.m.

In Sacramento—

Mr. and Mrs. H. G. Loehr were business visitors in Sacramento this week. Loehr visited briefly with James Owens, former local bank manager, now at Town and Country, who asked to be remembered to local friends.

Fly to Mexico—

Dr. and Mrs. Earl Guthridge of Oakland wrote that they are making a flying tour of Mexico and send greetings to local friends via the Sierra Sun.

Osburn's Garage Open May 20th; Buick Dealership

Brother Takes Over As Manager of Popular Service Station

Clarence E. Osburn yesterday announced that he is planning formal opening of Osburn's Garage on May 20 and will hold a reception that evening for the public.

At the same time he disclosed that he has obtained the Buick dealership for this region and hopes to have a model car on display in the new garage the evening of the opening. A factory representative, A. J. Kemp, of San Francisco, was here this week to close the contract which gives Osburn the Buick sales and service franchise for the Truckee, Lake Tahoe, Sierra Valley and Portola region.

A full line of Buicks, with factory parts and accessories, will be carried and a complete service unit is being installed, Osburn said, giving this district its first complete factory auto representation in many years.

Parts Department

Work on the garage is nearing completion. The salesroom and shop are receiving final touches and the large parts department adjoining Cook's Plumbing in the same building, which has been leased to Gardner Automobile Parts of Reno, is being stocked and will open with the garage on May 20, Osburn said. Robert Morrell of Quincy will be in charge of the auto supply store for Gardner.

Brother Takes Station

Negotiations were completed yesterday whereby Charles Osburn, who has been associated with his brother, Clarence, in the Osburn Associated Service Station here for the past three years, will take over direct management of the popular station. The same policy of friendly service will be continued and the personnel will remain as at present.

Osburn purchased the garage property, which was started several years ago by Charles Brunk, from a Sacramento bank. He has made a considerable investment in completing the building and plans additional improvements to give the district a modern, up-to-the-minute automotive center.

The owner will be personally in charge of the sale and service divisions.

LOCAL RESPONSE TO CANCER FUND REPORTED GOOD

Mrs. Ray Scott, chairman of the Truckee area Cancer fund drive which just ended, reported collections of $407.37 to date, with several pledges still outstanding.

Mrs. Scott expressed her appreciation to the public and the various organizations of Truckee and Donner Summer; the Sierra Sun and to her committee for their cooperation in making the drive a success. Serving with the chairman were Mesdames A. P. Leitch, Royal Elf, David Anderson, Ethel Buell and Dr. L. D. Nelson, all of Truckee; Mrs. Milton Hogle and Mrs. Arthur Couillard of Soda Springs.

No One Injured In Collision at Norden

No one was injured yesterday afternoon when a car driven by George E. Weidemier, 44, Sacramento, and a Greyhound bus, operated by John M. Drake, 57, San Francisco, collided at Norden. The highway patrol was informed that the bus turned into the Norden Store and Weidemier started to pass it on the right, just as the bus again turned into the highway to resume its way. Both vehicles proceeded on their own power.

Mrs. Diaz Will Assist On Red Cross Cases

Mrs. Fosten Wilson, who has accepted a position as receptionist for Dr. Robert Affeldt, this week announced that because of her new work, all day-time cases needing attention of the local branch of the Red Cross will be referred to Mrs. C. Diaz. Mrs. Wilson will continue as local secretary for the Red Cross and will handle cases when not in her office.

From Texas—

Mrs. Ella Rylander of Texas is a guest at the home of her son and daughter-in-law, Mr. and Mrs. Delbert Rylander.

Birth Anniversary—

Mrs. William Englehart Jr. observed her birthdate on Friday, May 5, at a family party.

MOTHER'S DAY
—by Joan Ward

Once again on May 14 we will all honor our Mothers. All the sweet, tender things she has done will return to our memory. We will think of the many things she has done for us, of the many pleasant hours we have spent together. On Mothers' Day, most of us try our hardest to make everything turn out right. Maybe you'll have your Mother's breakfast all ready for her, or maybe you have a wonderful day planned. Whatever you have in mind, I know she will love you dearly for it. It need not be big, for Mother never thinks of the price or size. It is the thought that counts.

FOR MOTHER'S DAY
—by Roberta Peden

"Mother, dear," said little Jane
On happy Mothers Day,
"Today's your day and I can see
I'm going to work, not play.

"I'll wash the dishes
And mend the clothes while
You sit back and rest.
Now, mommy, please don't
say I can't—
I don't want one protest.

"I'll even cook dinner," said
the child,
Her head in a far away dream,
"And don't you worry about
the house,
I'll get it sparkly clean.

"I'll go to market and shop
for the food,
And daddy will be happy too."
And as she looked up she saw
a tear
Roll down her mother's cheek.

She exclaimed, "O! Mommy,
you're crying!"
Then, with a smile and a shrug,
"O! I know why you're crying!"
And ran to give mommy a hug.

SAFETY POSTERS
—by Alberta Cooper & Lois Grey

Last week the student body council started a safety campaign. Posters were to be drawn by the students and prizes to be awarded for the best ones. The posters are to be based on safety at school. There will be five first prizes, five seconds and five thirds. After the prizes are awarded, the posters will be put on display at the school. The contest will end May 15 and prizes will be awarded May 19.

TEEN AGE BOOK CLUB
—by Ace Phipps & Marie Osburn

For a few weeks now pupils of the Truckee Elementary School have been ordering books from the Teen Age Book Club. These books. These books are in 25 cents pocket book form and contain from 100 to 300 pages. Some of the stories are fiction and some are true. Others were formed from popular books such as "I Remember Mama" and many others. For each four books purchased, one book is given to the pupil as a dividend. The students were well satisfied with the last book they received and hope to continue sending for books until school is out.

PHOTOGRAPHY
—by Alfred McGee, Louis Ramirez & Bill McLain

Since March the 7th and 8th grade boys have been enjoying photography. Mrs. Phipps is our instructor. First we learned to make a picture out of a negative. Recently we learned to take a negative of a roll of film and develop the negative and the picture. We all enjoy it very much. The pictures are getting better all the time. We have photography down in the boiler room every Tuesday and Thursday.

PERSONAL NOTES
—by Marilyn Shafer

The new children in the Truckee grammar school are Clifton "Rags" Dale and Terry Kitchen. Newly added to the 8th grade is Beverly Jefferis. The children who returned to school are Jacquie Wilson who just got back from Boulder Dam and Stanley Rasmussen who has been out of school for four months with a broken leg. We hope he is glad to be back and doesn't get hurt again. Last Saturday and Sunday Louie Ramirez went to Reno and Sunday Bill McClain and Ray Dixon were in Reno.

LOWER GRADES

In the first grade room they are studying about all the ways of transportation — airplanes, trains, boats, buses and cars. The pupils have made poems, graphs and pictures about it.

In Mrs. Borneman's room, they are studying about farms. They have a little barn in their room. Outdoors they have a farm and a little community. They have a hospital, a post office, a store and a school. They also have roads to go from one place to the other.

MEXICAN TOYS
—by Billy Moreland & Sharon Pace

Mexican toys are made out of gords and thorns, like the birds that are made out of oddly shaped gords with a thorn glued on for the beak and two little sticks for the legs. Some toys are made from pottery like the pig that is made from pottery with a slot in the back. Some of the birds are made from pottery too arnd are whistles. Some Mexican toys are made of straw like the soldiers and are woven of straw.

If you keep a list of out-of-town numbers, you'll find calls are put through much faster—often in 30 seconds.

TIPS FOR TOP LONG DISTANCE SERVICE
Ways to save money and minutes on out-of-town calls

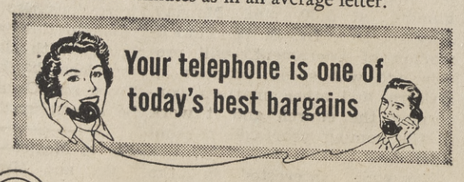

1. Reduced rates begin at six in the evening . . . and between six and seven is a good time to call. Long Distance rates are low. And nights and Sundays are a particularly fine bargain. For $2.00 or less (plus tax) you can make a station call anywhere in the country. After the first three minutes, time is charged by the minute . . . not as another three-minute period.

2. For best service, place your call with the operator like this: First, tell her the name of the town you're calling . . . then the telephone number (or the name and address). Next, if it's a person call, give her the name of the one you want to reach. And if you've made notes ahead of time, you'll find you can say as much in three minutes as in an average letter.

3. When you call across the country or across town, you're using a service that's a finer value than ever before. With your telephone, you can reach twice as many people as 10 years ago. You can call more of the people you want to call . . . more can call you. And at rates that make your telephone a real bargain.

SKI CLUB DINNER FOR OFFICERS AT TAHOE SAT'D'Y

TAHOE CITY— The Lake Tahoe Ski Club held its annual banquet honoring outgoing officers and directors and welcoming the incoming on Saturday, May 6, at the Tahoe Community Center. Some 60 members and guests were present to enjoy the excellent dinner, entertainment and dancing. Decorations, in yellow and green, were arranged by Mrs. Floyd Carnell and Mrs. Jake Stuart. The tables were arranged in a large "U" with the guests of honor at the head table. Colored candles adorned the tables. Flowers, yellow jonquils, were a gift of Mrs. Stella Watson. Mrs. Nelson, Carnelian Bay summer resident, was the recipient of a special award. Mrs. Wesley Donaldson, assisted by Mrs. Wm. Jenkinson, was in charge of the dinner perparation and service.

Concluding the dinner, cakes baked by Mrs. Stuart were presented to the outgoing and incoming presidents. Oliver Corona, outgoing president, made a short speech of thanks to the officers and directors who served with him and introduced each. Jake Stuart, incoming president, in taking over, introduced the new officers and directors. Both then cut their respective cakes and passed them along, Stuart's cake serving a double purpose. It was also his birthdate. The new presi- unwrapped a large, impressive package and, after layers and layers of wrappings, found a gift set of pencils with golf club heads. Additional cakes were auctioned off capably by Ray Fellows.

After dinner, accordion music was furnished by Mrs. Foster Record and the group enjoyed a singfest and dancing.

Members were reminded that, as of this month, with the waning of the ski season, meetings will be held on the last Friday of each month until further notice.

COLLECTIONS GOOD IN TAHOE AREA CANCER CAMPAIGN

TAHOE CITY— Mrs. John Burns, Tahoe City, chairman of the northern lake area in the recently ended Cancer fund campaign announced that the returns were very gratifying, totalling $435.07. The Placer County quota was $2,000.

The local chaper of the American Association of University Women was named for its generous donation, which was split between the Tahoe fund and the Truckee fund. Also named as particularly helpful in the fund collection were Mr. and Mrs. H. C. Helm, who, beside donating to the fund, were of great assistance in the prompt handling of incoming Cancer Society materials.

MEETING TAKES UP SCOUT PROJECTS; PLAN ON CUB PACK

TAHOE CITY— An evening meeting of adults interestd in organizing and maintaining a Cub Scouts of America pack and in continuing the Boy Scout troop at Tahoe City was held at the Tahoe Lake School Friday, May 5. Del Raby, field executive, Boy Scouts of America, was present from Grass Valley. He issued organizational charts, projected colored slides explaining the Cub program and the importance of centering the Cub activities about the home. Assisting Raby was his wife.

A meeting of all interested parents will be called in the near future by R. R. Gilbert of Tahoe Lake School and Mrs. L. Benjamin, PTA, to further explain the program and to complete organization.

Among those attending the meeting were Stan Martin and Oscar Quam of the Tahoe troop council, Max Porter, Leif Neilsen, R. Gilbert and Mesdames L. Benjamin, Roy Johnson, Landfear, Foster Record, Tom Sheehan, and Jess Brown.

INTERSTATE FISH LAWS CONFUSE ANGLERS AT LAKE

RENO— Californit's limit of a three-fish bag per day while Nevada has a five-fish limit is proving confusing to a number of people in the vicinity of Lake Tahoe.

Bruce Clogston, Nevada game warden, reported last week that several Nevadans have come near to getting into trouble by getting over on the California side and thinking they could safely have five trout in their bags.

Confusion in the other direction arose as a result of the difference in time of opening for the fishing season. The California season opened two days before the Nevada opening on May 1. As a result Clogston came upon two innocent Californians fishing at Incline Beach on April 29.

He arrested them, but later released both men after he was convinced that their intention was not to break the law. He warned them not to do it again and turned them loose.

Discussion fishing conditions, Clogston said Lake Tahoe and other waters in that vicinity are so rough and windy that fishing has been very poor since opening day.

Hoerdler Back—

Ernie Hoerdler, Covina resident, is greeting his friends at Tahoe City and plans to make it his summer headquarters.

At Meeks Bay—

Mrs. Jody Maher, who has been spending the wiinter at Taft, Calif., has returned to Meeks Bay.

BOARD TURNS DOWN VETS' BUILDING ON TAHOE COMMON

TAHOE CITY— The board of supervisors of Placer County has rejected a proposal to construct a Veterans Memorial Building on the Tahoe City Commons.

The board took the position that considerable money had been spent in the past to preserve a public access to Lake Tahoe and that if the commons was built up eventually there would be no such access.

The board also stated that the county would be unable to levy a tax for construction of a hall during the 1950-51 fiscal year, due to other demands.

$925,000 DEAL WILL GIVE PUBLIC MORE LAND AT TAHOE

First step has been taken to enlarge the recreational areas on the south shore of Lake Tahoe by purchasing the 2501-acre Baldwin estate and the adjoining 1022-acre Pope estate by U. S. forest officials.

Involved in the transaction which began last week was the sale of 8,000,000 board feet of timber in the Stanislaus National Forest to the Winton Lumber Co. of Martell, Calif., for $175,000.

The $175,000 will pay for the Pope estate, but it will require $750,000 more to buy the Baldwin lands. All the money will be raised by sale of timber from the El Dorado, Sierra, Stanislaus and Plumas forests.

The two estates have a lake frontage of 9,834 feet on Tahoe and are separated only by Camp Richardson. The Baldwin estate also has a frontage of 17,820 feet on Fallen Leaf Lake to which a side road leads. Highway 89 passes through the properties being purchased.

No additional commercial property will be allowed within the new forest area.

It is pointed out that around the lakeshore at Tahoe there are just five small areas where the general public may camp or picnic and have free access to the lake.

Expected at Homewood—

Mr. and Mrs. Lester Wilkinson of Oakland and summer residents of Homewood for many years are expected to arrive at the lake today and will remain until early fall.

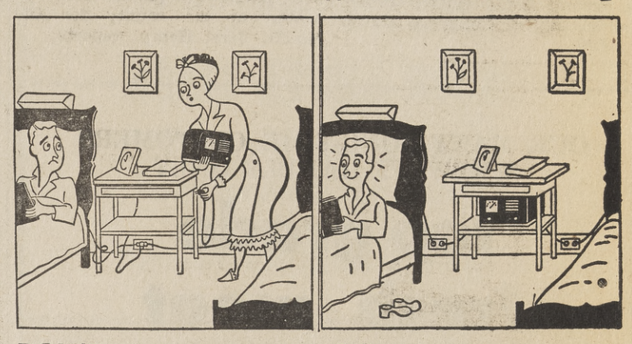

Methodist Plan Camps At Lake Forest

LAKE FOREST— The Methodist Campgrounds at Lake Forest will be a busy place during August, with a series of summer camps scheduled there. Institute for high school youths will be held first from August 5-12, then 12-19. August 19 to 26 will feature a Christian Adventure Camp for intermediates and from the 26th to September 2 will be an institute for older youths and Labor Day weekend, September 2-4, will be set aside for young adults.

Pueblo, Colo., has been termed the "Pittsburgh of the West."

How jobs were created

How hundreds of businesses were helped

How a new source of oil was tapped

The story behind deepwater oil

A few years ago, a test well proved there is oil under the great Continental Shelf that extends out into the Gulf of Mexico, and although the well did not produce much, it started one of the most unusual—and expensive—drilling programs in history.

So far, in the search for underwater oil, seven drilling platforms have been built, similar to the one above, as far as 10 miles offshore and in water as much as 65 feet deep. They are set on tubular steel pilings driven 250 feet through the ocean's bottom, for they must be strong enough to withstand Gulf hurricanes.

The story behind this operation is the story of risk... and of determination to do everything possible to find oil for the growing needs of motorists, farms and industries. Each underwater field costs millions of dollars more than any of equal size drilled on land, and although oil has been found, not enough has been produced yet to repay more than a small fraction of the costs.

Meanwhile, the money being risked is creating many jobs, spreading to hundreds of large and small businesses . . . and helping to keep our economy free, competitive and strong.

Re-Appointed

TAHOE CITY— Marie Henry of Tahoe City has been reappointed on the Placer County Board of Health. Her new term will run three years. Mrs. Henry has served as the Tahoe representative since the board's formation in November, 1948, but had served in similar capacity for many years prior to that time in the Tahoe City area.

The board's vital statistics for last month show there were 31 live births compared with 51 deaths in the county for the month, Mrs. Henry reports.

Four Finish First Aid Course at Tahoe

TAHOE CITY— Four persons completed the standard Red Cross course in the first 1950 class held by Marie Henry at Tahoe City. Taking the final written examination on Tuesday were Arthur E. Frodenberg, Tahoe City weather observer; R. R. Gilbert, Tahoe Lake School; Austin (Rusty) Frodenberg, local skier completing ski patrol requirements, and Mrs. George Tiffee, Donner Trail School.

The course touched on all the standard problems encountered by first aiders but gave special emphasis and practical work on the needs more common to the Tahoe area. Thus, extra hours were spent on artificial respiration and on injuries likely to be encountered in ski sports.

Weekly School Dances Are Successful

TAHOE CITY— Tahoe Lake School's second weekly school dance was just as successful as the first, which was held April 28. The dances, held each Friday from 7:30 to 9:30 p.m., were initiated, with Principal Mrs. M. M. Gallinger's help, by the interested pupils of the upper grades. Music was furnished by the school's record player, the records selected and furnished by the students. The dance, refreshment concession and ticket sales the 100 per cent student managed activity, although adults chaperone the affair. All funds collected go into the student treasury, for extra curricular activities. Some 20 parents were present at the Friday dance. Mrs. Stanley Martin chaperoned.

The Edward L. Moore family arrived from Los Angeles where they spent several months to spend the summer at Tahoma.

"Singing Hammers", now playing at Kings Beach, Tahoe Vista and Carnelian Bay, is a wonderful picture of action employing numbers of sturdy mountaineers who hit the stage early Monday morning in spite of Old Man Winter's return engagement.

Bids were opened last week for North Tahoe's laundromat. Grant and Anderson won the contract and will commence work at once. This new business will be located on the Richard Lavery property and will be operated by Mrs. Lavery.

Mae Meisenheimer is back home for the summer after having worked at a children's home in Carson during the winter. Mae liked her work very much. We're glad she's home again.

A welcome addition to the younger married set at Kings Beach is the Polzin family, Bud and Maxine. Mr. and Mrs. Polzin purchased the Quinn cabins early in April. Having a broken arm, Mrs. Polzin has had to remain in Merced under the care of her doctor while Bud takes care of the new purchase. Maxine expects to come up for keeps by the first of June. In the meantime, a flight over the weekends keeps her in touch with the new home. Mr. and Mrs. Richard Laschner, also of Merced, flew up with her last week end, experiencing several types of California weather from Merced to Tahoe.

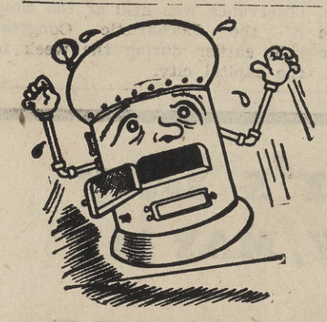

The P. R. Murray drove in through a snow flurry last Saturday, well pleased that Donner was clear and mighty happy to be back at their Tahoe Estates home. Bob shows some improvement in health, though he still must take life a littl easy.

Little Dorothy Mercer is back in school this week much to the delight of all her little friends. Dorothy's mother, Caroline, says "From the bottom of my heart, I thank you, all of you who have been so good to us." Your friends are all happy with you, Caroline, because of your daughter's rapid recovery.

Mr. and Mrs. Fremeir are adding a show room and living quarters to their Sportsmen's Port property, Grant and Anderson doing the work.

Bill and Bonnie Bates rolled Tuesday afternoon from their extended stay in Missouri.

The A. J. Ketmans are back. Ket came up a week in advance of the Mrs. Welcome home, you two.

Is Your Heating System Clogged?

Then it's Wasting from 10% to 25% of your Fuel.

If your furnace is slow in heating, then it's a good chance the system is clogged.

Steam boilers and radiators clog up just like an auto radiator, or even like the human body itself. Rust, scale, muck and grease accumulate and prevent the proper flow of steam—and your radiators remain cold.

Why a Chamber of Commerce

A Chamber of Commerce is the business of the community, speaking and acting for the common good.

Show us a live city and we will show you a live Chamber of Commerce. A dead Chamber of Commerce means that the city has gone to sleep. In other words, a city is known by the Chamber of Commerce it keeps.

No individual, firm or corporation can organize a civic enterprise and carry it to a successful conclusion single handed. Such work requires co-operation of all interests and such co-operation can be obtained only through a Chamber of Commerce or a similar body. There is no exception.

A member of the Chamber of Commerce is not successful because he is a member; he is a member because he is successful and has enough interest, energy, money, loyalty and patriotism to help make things better for himself and the city in which he lives.

NEW SNOW GONE, SPRING RETURNS TO LAKE TAHOE

TAHOE CITY— Tahoe City's sudden snow storm last week, which in three days gave some 21 inches of snow, was followed by the same type of spring-melt weather as that which preceded the storm. Today there is again no measurable snow pack. The lake level stands at 6225.65 feet. The daily weather record was as follows:

Date May	Max Tem	Min Tem	Snow Fall	Precip.
1	33	30	6"	.49"
2	33	24	6"	.47"
3	32	18	9"	.48"

NOTICE

The Truckee Sanitary Board at its meeting April 28th, 1950, voted unanimously to enforce Section 6520 of the Health and Safety Code of the State of California, pertaining to Sanitary Districts, which reads:

"It may compel all residents and property owners in the District to connect their houses and habitations and structures requiring sewerage or drainage disposal service with the sewers and storm drains in the streets, and to use the garbage collection and disposal system."

NEVADA 4-H CLUBS PLAN CAMPS AT LAKE THIS SUMMER

Two state-wide camps will be held for the 4-H Club boys and girls of Nevada this year. Both will take place at the state 4-H camp grounds on the Nevada shore of Lake Tahoe. From July 31 through August 5, the outing for the older club members will be held. A similar camp for the younger 4-H'ers is set for a shorter period from August 7 through 10. All agricultural sections of the state are expected to be represented at the encampments.

Enrollment of each camp will be limited again this year. Eligible to attend are the 4-H members who have completed requirements in 4-H Club work set up by each county. The boys and girls must have finished a 4-H Club project this year or have one well under way.

As in previous years, the camp regulations will be made and enforced by the campers in democratic fashion. The program will be similar to that in former outings. It will stress wholesome, outdoor recreation, classes in various phases of farm and rural homemaking, games and craft work. A special feature of this year's camp will be emphasis on conservation of natural resources and their use in wholesome, outdoor activities.

Paul L. Maloney, assistant director for junior work of the University of Nevada agricultural extnsion service, sponsor of the camp, will serve as director.

F.S. CAMPS IN AREA ON FEE BASIS IN COMING SEASON

A small fee will be charged at six of the most heavily used campgrounds in national forests in California this year, as the U. S. Forest Service continues its fee experiment from 1949 in an effort to spread its limited funds for maintenance of 1100 forest campgrounds in this state.

Picnickers will pay 25 cents a day and campers will pay 50 cents a day for a party of six adults or less at the following campgrounds:

El Dorado County campground at Lake Tahoe.

Big Bend campground at Big Bend ranger station.

Hampshire Rocks campground on U.S. 40 near Big Bend ranger

Pinecrest campground, Straw station.

Pinecrest campground, Strawberry Lake.

Blue Jay campground and Crest Road campground, near Lake Arrowhead.

M .M. Barnum, assistant regional forester, said the Forest Service is issuing permits to concessionaires who will collect the fees and in return will operate and maintain five of the campgrounds at no cost to the Forest Service. The Forest Service will operate Big Bend campground on a fee basis, in order to get comparative data.

College Dormitories

Due to two recent fires involving college dormitories, one of which killed nine students and injured many others, the National Board of Fire Underwriters is making available a series of fire prevention and panic prevention spot announcements to all college radio stations. The announcements tell students how to prevent fires in dormitories and college buildings, and also give instructions on how to escape safely in case of fire.

RECIPE OF THE WEEK
By Mary Lee Taylor

Raisin Tapioca Pudding

Broadcast: May 13, 1950

1 egg, *separated*
½ cup brown sugar
2 tablespoons quick-cooking tapioca
few grains salt
⅔ cup water
⅔ cup Sego Milk
¼ cup seedless raisins
1 teaspoon vanilla
2 marshmallows, *halved*
2 teaspoons jelly

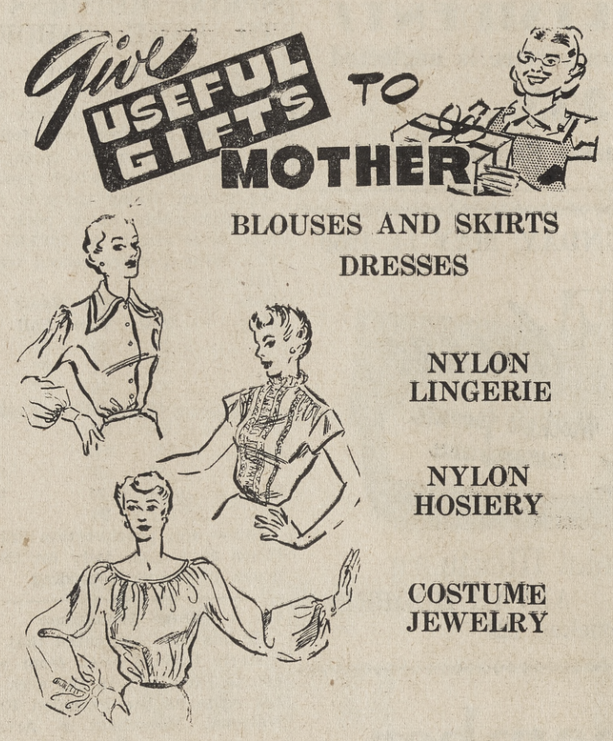

Beat egg white until stiff, but not dry. Beat in ¼ cup brown sugar. Mix in saucepan the tapioca, ¼ cup brown sugar, the salt and water. Boil over low heat 5 min., or until tapioca is clear and thick. Stir in slowly a mixture of slightly beaten egg yolk, milk and raisins. Stir to a boil over low heat, then boil and stir 30 seconds longer. Take off heat; add vanilla. Fold in egg-white mixture. Put into 4 dessert dishes. Chill. At serving time, garnish with marshmallow halves. Top each marshmallow with equal parts of jelly.

You will need:

Sego Milk, Seedless Raisins, Tapioca, Eggs, Brown Sugar, Marshmallows and Jelly.

Tarzan

by EDGAR RICE BURROUGHS

WATCHING THE TEST OF THE SERPENTS, TARZAN REALIZED THE SUDDEN BRAVERY OF THE COWARDLY WITCH DOCTOR AND THE GLOATING SMILES OF THE WHITE MEN SPELLED TREACHERY TO MABULI.

CHAKA'S BODY GLISTENED AS THOUGH HEAVILY GREASED. THE REPTILE SLITHERED DOWN TOWARD THE GROUND.

BUT THE SERPENT ON MABULI'S ARM STRUCK THE CHIEF'S SHOULDER. CHAKA LEAPED FORWARD. "THE SERPENT GOD HAS JUDGED," HE CRIED IN TRIUMPH.

"YOUR GOD HAS CHOSEN!" CLEVELAND DECLARED. "MABULI IS EVIL AND WILL DIE! ONLY CHAKA IS FIT TO WEAR THE SERPENT EMBLEM AND TO BECOME YOUR CHIEF."

"MABULI MUSTN'T RECOVER," CLEVELAND WHISPERED. "GET SOME SNAKES AND FINISH HIM OFF. I WANT HIM DEAD!"
